

Announcement

1. Sri Lankan passport holders do not require the COVID-19 Insurance coverage when traveling to Sri Lanka.
2. TOURIST VISA requires a mandatory Sri Lanka COVID-19 Insurance coverage to be purchased online <https://portal.pionline.lk/covidinsurance/> or on arrival.

This Insurance costs USD 12 for the mandatory one-month insurance and has a cover of USD 50,000 including hospitalization if need due to COVID-19 infection.

We recommend you obtain the insurance online prior to departure. If you are unable to do so, you can purchase the policy prior to leaving the airport in Sri Lanka.
